To commemorate the 55th Anniversary of Hong Kong Police Band, the Police Band had firstly published a postal cover for a set of commemorative stamps in 2006. The cover was designed by courtesy of the Police Philatelic Club, containing details of the band's history and developments. It also carries some memorable photos of its local, Mainland and overseas performances.

The postal cover (Deluxe Edition with Audio CD) is a valuable gift for collectors. The original price is HK\$500. Discounted price of HK\$200 is now on offer. All proceeds go to the Police Welfare Fund for the Force welfare purposes. While stock lasts, interested retired officers may contact the Police Souvenir Galley at 2860-2080 for enquiries and orders.
