貴重物品清單
List of Valuable Items

請使用本表格記錄所有貴重物品的詳情。萬一物品失竊，便不容易記起有關詳情了，故現在就應將資料記下。
Please use this form to record details of all your valuable items. It is much easier to do this now than to try and remember an object after it is stolen.

填妥後請將本記錄連同有關相片一併存放在安全的地方。萬一物品失竊，本記錄會成為失物記錄，並可能有助警方尋回你的物品。
When completed, it is vital that this form together with the relevant photos are kept in a secure place. The item list may form a record in the event of a theft, and may assist the Police in recovering your property.
