Security Tips for Goldsmith, Watch and Jewellery Shops

SAFECITY.HK

香港警務處防止罪案科
Hong Kong Police Force
Crime Prevention Bureau

防罪

Modus Operandi

Theft
Diverting attention, taking opportunity to steal...

Robbery
Smashing of showcase windows, threatening staff...

### Burglary
Damaging gates, intruder alarm systems...

Goldsmith, watch and jewellery shops are tempting targets of theft because of presence of expensive goods that are easy to carry around.
Times when crimes are most likely to occur

Insufficient shopkeepers / Too many customers

In the quiet of night

OPEN CLOSED

During opening and closing of shops
