

## Extended Interview

---

Candidates who pass the Written Examination will be further assessed in a half-day Extended Interview at the Hong Kong Police College. The Extended Interview consists of four exercises conducted mainly in English, with the exception of the Impromptu Talk and the Leadership Exercise, which are partially conducted in Chinese (Cantonese). Only candidates securing a pass for the first two exercises (i.e., Impromptu Talk and Group Discussion) will be invited to take part in the last two exercises. Prior to the commencement of the exercises, candidates may be invited to write a short essay on spot and to provide a brief self-introduction as a warm-up session. The assessor may have some follow-up questions to better understand the candidate.
