

# 國家 National Security 安全

國家安全是頭等大事，維護國家安全是警務處處長首要行動項目之一。隨着《香港國安法》及《維護國家安全條例》相繼實施，香港特別行政區（特區）維護國家安全的法律制度和執行機制得以完善。國家安全處（國安處）全力支持特區政府及警隊的相關工作，持續審視本地及國際形勢並作出相應部署，積極與各持份者保持緊密溝通與合作，加強市民維護國家安全和守法意識，鞏固維護國家安全的護城牆。

National Security is a top priority, and safeguarding national security falls within the Commissioner's Operational Priorities. Following the enactment of the National Security Law (NSL) and the Safeguarding National Security Ordinance (SNSO), the legal system and enforcement mechanisms for safeguarding national security in the Hong Kong Special Administrative Region (HKSAR) have been improved. The National Security Department (NSD) fully supports the work of the Government and the Force in this regard. The NSD continuously monitors local and global situations, makes corresponding deployment, and maintains close communication and co-operation with all stakeholders proactively to enhance public awareness of safeguarding national security and abiding by the law, thereby fortifying the defence of national security.

國安衛士 不負所托

警務處與律政司及保安局組成《基本法》第二十三條立法專責小組，為擬定立法建議做了大量準備工作，包括深入研究和分析國家與外國維護國家安全的法律。專責小組高效專業、不負所托，協助特區政府履行《基本法》第二十三條立法的憲制責任和歷史使命。《維護國家安全條例》於三月二十三日正式刊憲生效，確保國家安全得到有效保障。行政長官頒授「行政長官表揚榜」獎狀予專責小組，以及「維護國家安全功章」予參與維護國家安全的公職人員，包括警隊人員，讚揚他們作出的重大貢獻。

Guardians of National Security Live Up to Society's Trust

The Force, in collaboration with the Department of Justice and the Security Bureau, formed the Task Force on Basic Law Article 23 Legislation to do a significant amount of preparatory work for drawing up the legislative proposals, including in-depth studies and analysis of the laws on safeguarding national security of the country and foreign countries. The highly efficient and professional Task Force lived up to its trust, assisting the HKSAR Government in discharging its constitutional responsibility and historic mission to enact the Basic Law Article 23 legislation. The SNSO, which has been published in the Gazette and came into effect on March 23, ensures robust protection of national security. The Chief Executive presented an award certificate of the Chief Executive's Award for Exemplary Performance to the Task Force, as well as the Medal for Safeguarding National Security to public officers, including Force members, who have been involved in the safeguarding of national security, in recognition of their significant contributions.

《維護國家安全條例》正式刊憲生效，由律政司、保安局和警務處組成的《基本法》第二十三條立法專責小組，獲行政長官頒授「行政長官表揚榜」獎狀。此外，參與維護國家安全而作出重大貢獻的警隊人員，亦獲頒「維護國家安全功章」，以表揚及肯定他們在維護國安方面的努力和付出。

在二零二四年警隊調查中，公眾繼續高度肯定警隊的整體表現，尤其是「維護國家安全」方面，在眾多工作範疇中獲得最高分數。員工意見調查亦顯示，警隊人員給予「維護國家安全」最高評分，和公眾意見調查結果一致。

有法必依 違法必究

國安處負責調查危害國家安全的犯罪案件，執行《香港國安法》及《維護國家安全條例》下的職責，並與其他持份者建立跨部門合作，聯手打擊危害國安罪行。自二零二零年七月成立以來，截至二零二四年十二月三十一日，國安處一共拘捕 316 名涉嫌干犯危害國家安全罪行的人士，當中約 60% 已被檢控。

案情極為嚴重且牽涉最多被告的「串謀顛覆國家政權案」經過逾百日審訊後，高等法院原訟法庭裁定 45 名被告「串謀顛覆國家政權罪」罪名成立，首要分子判囚 10 年；其餘被告則被判囚四年兩個月至七年九個月不等。判刑顯示一眾被告干犯非常嚴重的顛覆罪行，必須予以嚴懲。

持續優化 專業團隊

要維持高水平的安全，警隊須以總體國家安全觀強化內部制度，以底線思維做好各種防禦的準備和預案。在《維護國家安全條例》生效後，國安處積極加強內部培訓，為前線人員進行多次宣講會，確保人員全面理解《維護國家安全條例》和當中要求。此外，國安處亦推出警隊訓練日培訓套件，讓所有人員進一步了解並掌握《維護國家安全條例》要點及處理危害國安活動的工作守則。

年內，國安處開展「國家安全大使」計劃，加強總部及前線人員與國安處之間的協作，並於學年初向各區警民關係組提供國家安全教育套件，以便他們適時向學校提供最新國安教育資訊。此外，國安處於警察總部警隊圖書館設置「安邦定閣」，以提升警務人員維護國家安全的知識及使命感。

Public recognition of the Force's overall performance remained high in Force Surveys conducted in 2024, with efforts in 'safeguarding national security' receiving the highest rating across all areas of work. Similarly, the Staff Opinion Survey recorded top ratings for 'safeguarding national security' from Force members, aligning with the Public Opinion Survey.

Laws Must Be Observed and Lawbreakers Be Held Accountable

The NSD is responsible for investigating offences endangering national security, enforces the duties under the NSL and the SNSO, and fosters cross-departmental collaboration with other stakeholders to combat crimes endangering national security. By December 31, 2024, the NSD has arrested 316 individuals suspected of committing offences endangering national security since its establishment in July 2020, with approximately 60% prosecuted.

Among these cases, the Court of First Instance of the High Court handed down sentences of a case of conspiracy to commit subversion, which involved serious circumstances and the largest number of defendants, after over a hundred days of trial. The court convicted 45 defendants of conspiracy to commit subversion and sentenced the principal offender to 10-year imprisonment. The others received jail terms ranging from four years and two months to seven years and nine months. The sentences showed that the subversion offence of the defendants was extremely serious and they should be severely punished.

Professional Team Makes Continuous Improvement

To maintain a high level of security, it is essential to enhance the Force's internal system through a holistic approach to national security, and adopt a bottom-line mindset in making preparations and contingency plans for all kinds of defence. After the SNSO has come into effect, the NSD actively stepped up internal training by conducting briefing sessions for frontline officers to ensure their thorough understanding of the SNSO and the requirements therein. Additionally, the NSD developed a training package for Force training days to help all officers further grasp the key provisions of the SNSO and the working procedures for handling activities endangering national security.

During the year, the NSD launched the 'National Security Representative Scheme' to strengthen the collaboration with Headquarters and frontline officers. At the beginning of the school year, the NSD distributed national security education packages to Police Community Relations Offices of all districts to provide to schools timely and updated information about national security education. Furthermore, an NSD publication corner 'NSafe' was set up at the Force Library in the Police Headquarters to enhance Force members' knowledge and sense of mission in safeguarding national security.

國安處於警察總部警隊圖書館設置國家安全書刊專區，名為「安邦定閣」，並分為三個專區，包括實體書專區、國安里程碑及電子書專區，供人員閱覽有關國家安全的資訊及體驗互動學習，深入認識相關法例及知識。

The NSD set up an 'NSafe' corner, designated for publications on national security, at the Force Library in the Police Headquarters. There are three sections, namely Books, Milestones and E-learning in which officers may access to national security-related information and experience interactive learning so as to gain a deeper understanding of relevant legislations and knowledge.

攜手同心 維護國安

在地緣政治威脅下，國家安全仍然存在風險，香港乃至國家發展均受阻礙，故此我們不能「好了傷口忘了痛」。外部勢力不斷抹黑香港的同時，亦有在港人士利用「軟對抗」煽動市民對政府及國家的不滿。因此，維護國家安全需要廣大市民的共同參與。國安處舉報熱線於二零二零年十一月開始運作，市民亦可透過短訊、微信及電郵提供與國安相關資訊。熱線運作至今，累計收到超過 85 萬個舉報訊息，為維護國家安全工作作出重大貢獻。

Together, We Safeguard National Security

Geopolitical challenges remain a threat to national security, impeding the development of both Hong Kong and the country. As such, we should not forget the pain even though the wound has been healed. External forces continue to smear the situation of Hong Kong, while some people in Hong Kong engage in 'soft resistance' to incite discontent with the Government and the country. Therefore, the safeguarding of national security needs the participation of the general public. Since November 2020, the NSD has operated a hotline to receive reports. Members of the public can also submit national security-related information via SMS, WeChat and email. To date, more than 850,000 tip-offs have been received, making substantial contributions to the safeguarding of national security.

在教育方面，國安處聯同各警隊單位及其他紀律部隊合辦不同活動，讓不同階層的市民多方面認識國家安全。為進一步讓市民了解國家安全對香港長期繁榮穩定的重要性，國安處會定期在官方微信帳號分享與國家安全相關的時事和知識。展望來年，國家安全教育可進一步走進校園、聯動社區，讓社會各界包括未來主人翁了解國家安全如何與日常生活息息相關，攜手同心，共同維護國家安全。

In terms of education, the NSD partners with Force formations and other disciplined forces to organise various activities that help people from all walks of life understand national security from diverse aspects. To enable the public to recognise the significance of national security for Hong Kong's long-term stability and prosperity, the NSD runs an official WeChat account to share regularly current affairs and knowledge related to national security. Looking ahead, national security education can be further spread into schools and connected with the community, to enable various community sectors, including the future leaders, to understand the close relation between national security and their daily lives, thereby joining hands and working together to safeguard national security.

國安處於國家安全展覽廳展出不少展品，並推出「NSmart 國安問答活動」；亦在「全民國家安全教育日暨香港警隊 180 周年警察學院開放日」設置升級版「國安號」國家安全展覽，讓不同階層市民多方面認識國家安全。

The NSD showcased a wide range of exhibits and launched the NSmart Quiz at the National Security Exhibition Gallery, and introduced an enhanced version of the NS Express National Security Exhibition at the National Security Education Day cum Hong Kong Police Force 180th Anniversary Police College Open Day to enable people from all walks of life to understand national security from diverse aspects.
