

龍鳳胎不同形式服務警隊

嘉碧於執勤時盡力協助傷者。

身兼銀行經理和輔警的家碧表示兩個崗位掌握到的經驗和知識相輔相成，共同肩負著防罪滅罪的重任。

輔警胞姐 成騙案剋星

一批銀行職員因在騙案中主動協助警方拘捕疑犯或令事主減低損失，早前獲警隊嘉許，當中一名銀行經理蔡家碧更是輔警。家碧父親為退休警長，她與龍鳳胎弟弟家駿在耳濡目染下，自幼皆立志投身警隊。二零零八年家駿率先成功投考，半年後家碧亦順利過關，在大學修讀商業管理的她當時工作順遂，最終選擇留在商界發展。

由於胞弟經常分享工作點滴，令家碧對警察夢一直念念不忘，結果在家人和朋友鼓勵下，她決定投考輔警，於二零二一年出班後被派駐中區警區。她當時也沒想到，成為輔警除了實踐理想，還為其事業打開另一扇門。

二零二二年，家碧任職的銀行需要吸納新血加入成立不久的「防欺詐單位」，而她無論學歷和經驗均符合條件，加上其警務知識，立即獲推薦調到該組擔任經理。

家碧說：「銀行防欺詐單位的工作範圍廣泛，包括詐騙個案分析、宣揚防騙意識、提高職員對騙案和突發事件的應變能力等，亦要處理銀行的安保

事宜。」這些職責與警務工作有很多相似之處，亦與警隊有不少緊密合作。

以她今次獲嘉許的案件為例，家碧接獲分行職員匯報，一名男子經常存入空頭支票，懷疑涉及行騙；她經過分析後，推測有人會食髓知味再度犯案，於是事先與警方協調，並通知分行職員提高警

家碧憶述任職警員的弟弟在二零一九年黑暴期間遭暴徒威脅，其人身安全，期間不禁落淚。

覺。不久之後，該男子果然再到分行存入空頭支票，家碧立即通知該區特遣隊人員，成功人贓並獲。

家碧一方面將輔警經驗應用於正職，另一方面她的商業知識也令其在警務工作中如虎添翼。當報案室接獲一些涉及商業犯罪或詐騙的案件時，她會向同事提供專業意見；另外，熟悉銀行運作的她，亦能給予騙案受害人適切幫助。她憶述曾經處理一宗「港漂」女生遭遇電騙的案件，一步步協助驚魂未定的事主聯繫銀行凍結戶口，避免損失進一步擴大之外，同時保留與案件有關的證據，有助警方往後調查。

能夠運用自己的專業知識，於銀行和輔警兩個崗位中一展所長，家碧分享道：「兩份工作都肩負防罪滅罪的重任，而累積到的經驗亦相輔相成。雖然身兼兩職比較忙碌，我卻樂在其中！」她鼓勵有意工餘獻社群的市民，踴躍投考輔警，擴闊生活圈子 and 眼界，或可能像她一樣，為自己的人生創造更多可能。

感謝 真言

致：警務處處長蕭澤頤先生

本人想藉此機會向柴灣分區軍裝巡邏小隊第四隊的劉Sir、曾Sir及麥Sir致謝。

二零二四年十月尾，我爸爸在家中企圖自殺，當時他躺在血泊之中，由廁所至廚房及客廳均佈滿血漬，我嚇得魂飛魄散，不知所措！

報警後，劉Sir帶領曾Sir及麥Sir迅速到達我家。他們表現鎮定，有條不紊地分工合作，除了安撫我煩亂的心情外，更在現場把握時間進行調查，協助救護員盡快將我爸爸送到醫院搶救。我十分欣賞香港警察表現專業、訓練有素及所展現的團隊精神。三位警察的工作效率、服務態度與專業精神實屬警隊之光。

祝 工作愉快 身體健康

▶「提子」人偶現身尖東聖誕嘉年華，派發紀念品及熱飲予完成指定任務的市民。

今年警隊獲邀參與由東尖沙咀地產發展商聯會舉辦的聖誕燈飾活動，公共關係部遂於二零二四年十一月二十八日至十二月二十九日期間，製作一系列以「提子Bling Bling『照』尖東」為主題的聖誕裝飾，藉着市民拍照後與身邊人分享，把防騙意識傳播開去。

尖沙咀海濱花園擺放18個「提子」藝術裝置擺設，打造獨特的「提提里」。公共關係部亦於尖東附近設置六間聖誕小屋，市民可攜「提子」集章卡到各小屋蓋章，收集印章後製作聖誕卡，把聖誕祝福寄給親友。帝國中心內的聖誕許願牆及擺景亦可供市民「打卡」。其間，市民共印製接近200 000張集章卡，反應熱烈。

此外，聖誕版「提子」動畫短片於二零二四年十一月二十八日登陸尖沙咀中心及帝國中心外的幕牆，該幕牆面積達4 000平方米，市民可於現場欣賞歷來最大的「提子」聖誕故事。麼地道行人天橋亦換上各種「提子」造型的聖誕燈飾，成為受歡迎的「打卡點」。

為了更進一步宣傳防騙意識，「提子」人偶於二零二四年十二月十四日及十五日現身由東尖沙咀地產發展商聯會舉辦的尖東聖誕嘉年華，派發紀念品及熱飲予完成指定任務的市民。另外，活動於二零二四年十二月二十日至二十七日推出線上慶祝活動，每日首60名完成指定任務的市民，更可獲得別注版「提子」紀念品。

The Commercial Crime Bureau, Cyber Security and Technology Crime Bureau (CSTCB) and Financial Intelligence and Investigation Bureau co-organised for the first time the Anti-Scam Carnival at the West Kowloon Cultural District on December 14 and 15, 2024 to enhance public awareness of scam prevention, money laundering and cyber security threats through thematic game booths, the interactive Anti-Scam Hub and various performances.

Speaking at the opening ceremony, Deputy Commissioner (Operations) Chow Yat-ming pointed out that the Force was committed to fighting scams in collaboration with various stakeholders. He hoped that members of the public would pay more attention to the Force's anti-scam campaigns and share scam prevention information with their friends and family members. The public were also reminded to heed anti-money laundering messages and should never rent, lend or sell their bank accounts or e-wallets to third parties out of spontaneous greed.

The award presentation ceremony of the Anti-Scam Lucky Draw organised by CSTCB was also held during the carnival. The grand prize winner received an electric vehicle. The lucky draw drew widespread attention, rallied efforts of all sectors in society and attracted over 1.8 million participants. The mobile app Scameter+ recorded over 840 000 downloads, representing a significant increase of 47%.

The carnival offered a fantastic lineup of amusement facilities, including a giant inflatable bouncy castle, the 4m-high inflatable anti-scam mascot "The Little Grape" and the first ever Anti-Scam Hub, as well as various music, dance and magic performances, with a view to promoting anti-scam and anti-money laundering messages throughout the city. Nearly 20 000 citizens attended the event.

Little Grape Bling Bling@TST East Christmassy 'Little Grape Lane'

►Citizens can collect stamps unique to each hut using the complimentary stamp cards.

▲An art installation featuring "The Little Grape" at the promenade

The Force was invited to participate in the "TSTE Festive Illuminations 2024" organised by the Tsim Sha Tsui East Property Developers Association (TSTEPDA). The Public Relations Wing (PR Wing) produced a series of decorations themed with "Little Grape Bling Bling@TST East" between November 28 and December 29, 2024 for citizens to take photos and share them with people around them so that anti-deception awareness could be disseminated.

"The Little Grape" art installations placed in 18 different scenarios transformed the Tsim Sha Tsui Promenade into the one-of-a-kind "Little Grape Lane". PR Wing also installed six Christmassy huts at which citizens could collect stamps and create their own Christmas cards for sending regards to their relatives and friends. The wall prepared for well-wishers and other festive decorations inside the Empire Centre were hotspots for citizens to take

photos. The event was met with great enthusiasm, as citizens stamped nearly 200 000 Christmas cards in total.

Moreover, "The Little Grape" animated short film (Christmas edition) debuted on the exterior wall conjoining Tsim Sha Tsui Centre and Empire Centre. Citizens could witness in person the biggest-ever Christmas story featuring "The Little Grape" on the 4 000-square-metre facade. The footbridge over Mody Road also changed into a new outfit with different Christmassy ornaments to make it a popular photo-worthy spot of "The Little Grape".

To further promote anti-deception awareness, a life-size "Little Grape" appeared at the "X'mas Carnival@TSTE" organised by TSTEPDA on December 14 and 15, 2024. Citizens accomplishing designated missions were gifted souvenirs and treated hot drinks. The event was followed by online celebratory events between December 20 and 27, 2024. The first 60 citizens completing the specified task every day were entitled to a commemorative "The Little Grape" souvenir.

►Citizens accomplishing designated missions are treated to a cup of "The Little Grape" hot chocolate.

Genuine Words from the Public

Patrol Sub-Unit 4 of Chai Wan Division

October 24, 2024

Dear Mr Siu Chak-ye, Commissioner of Police,

I would like to take this opportunity to express my gratitude to Lau Sir, Tsang Sir and Mak Sir from Patrol Sub-Unit 4 of Chai Wan Division.

In late October 2024, my father attempted suicide at home. Seeing him lying in a pool of blood and the blood stains in the toilet, the kitchen and living room, I was so scared that I didn't know what to do.

Soon after my call to the police, Lau Sir led Tsang Sir and Mak Sir to come to my place promptly. They acted calmly and worked together in an orderly manner. In addition to calming my upset mood, they took the time to conduct investigation at the scene and assisted the ambulance crew in sending my father to hospital for rescue as soon as possible. I very much appreciate the professionalism, well-training and team spirit displayed by the police force. The efficiency, attitude and professionalism of the three police officers are genuinely the pride of the police force.

Wish you happy work and good health.

Yours faithfully,
Ms. Lam

Twins serve Force in different roles

AUX sister fights scams with expertise

AUX PC and bank manager Ka-pik receives commendation from the Force for assisting the police in arresting the suspect of a fraud case.

A group of bank staff were commended by the Force not long ago for assisting the police proactively in arresting suspects or minimising losses in fraud cases. Choi Ka-pik, who is a bank manager as well as auxiliary (AUX) police constable (PC), is among the commended personnel. Ka-pik and her twin brother Ka-chun have decided to join the Force since their childhood under the inspiration of their father, a retired sergeant. In 2008, Ka-chun took the lead and succeeded. Ka-pik passed the recruitment test six months later. Majoring in Business Administration at university, Ka-pik gained a foothold in the business sector at that time and chose to develop her career in business eventually.

The sharing of her brother's work details often reminded Ka-pik of her dream to become a member of the Force. Under the encouragement of her family members and friends, she joined AUX finally. When she was stationed in a Patrol Sub-unit of Central District after her training in 2021, she probably didn't expect that becoming an AUX officer not only fulfilled her dream, but also opened another door for her career.

In 2022, the bank at which Ka-pik worked needed to recruit new blood to join the newly established Anti-fraud Unit (AFU). As she met the required conditions in terms of academic qualifications and experience in addition to her policing knowledge, she was recommended for internal transfer to become the manager of AFU.

Ka-Pik points out, "The extensive scope of the bank's AFU covers analysing fraud cases, promoting anti-deception awareness and improving the staff's ability to respond to fraud and emergencies, as well as handling bank security matters." These duties are similar to policing work and require close collaboration with the Force.

Taking the case for which she was commended as an example, Ka-pik received a report from a branch employee that a man often deposited rubber checks. She suspected that fraud might be involved. After analysis, she speculated that the fraudster might commit another crime again. Hence, she coordinated with the Force in advance and notified the branch staff

to stay alert. Soon, the man went to the branch to deposit another rubber check as predicted. Ka-pik immediately notified the Task Force Sub-unit of the District and successfully caught the fraudster red-handed.

On one hand, Ka-pik applies her experience as an AUX officer to her primary job. On the other hand, her business knowledge also facilitates her policing work. When the report room receives cases involving commercial crimes and fraud, she will provide professional advice to her colleagues. In addition, she is familiar with bank operations and can provide the most appropriate help to victims of fraud. She recalled that she once handled a case in which a female student from the Mainland was cheated in an online fraud. She assisted the frightened victim step by step in contacting the bank to freeze the account against further losses. She also retained evidence related to the case to assist in the Force's future investigation.

Being motivated by their father, who is a retired sergeant, Ka-pik (right) and her twin brother join the Force.

Being able to utilise her professional knowledge and apply her talents in both positions, Ka-Pik says, "Both jobs shoulder the responsibility of preventing and fighting crimes, and the accumulated experience and knowledge also complement each other. Although juggling two jobs can be busy, I enjoy them." She encourages those who want to serve the society to join AUX so that they can expand their social circles and horizons, and potentially create more possibilities for their own lives, as what she is doing now.
